Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

In compliance with the requirement for nucleotide and/or amino acid sequence disclosures in patent application under 37 CFR § 1.821(f), the undersigned patent attorney for the above identified application hereby submits a computer diskette which contains the computer readable form of the "Sequence Listing" as shown in the specification of the above identified patent application. In the computer diskette, the Sequence Listing is generated using Patent-In Version 3.2 and saved in the ASCII text format. The undersigned patent attorney respectfully submits that the information recorded in the computer readable form is identical to the written sequence listing.

Respectfully submitted,

A handwritten signature in black ink that reads "Fei-Fei Chao". The signature is written in a cursive, flowing style.
